Reverence to our Founder Chairman

Late Shri Krishan Lal Gupta  
 Founder, Chairman  
 GNIOT Group of Institutions

### VISION

To be an educational institute recognized through the acquisition, preservation, dissemination, and application of knowledge for the betterment of society. We will develop an entrepreneurial and global mindset for sustainable alternatives.

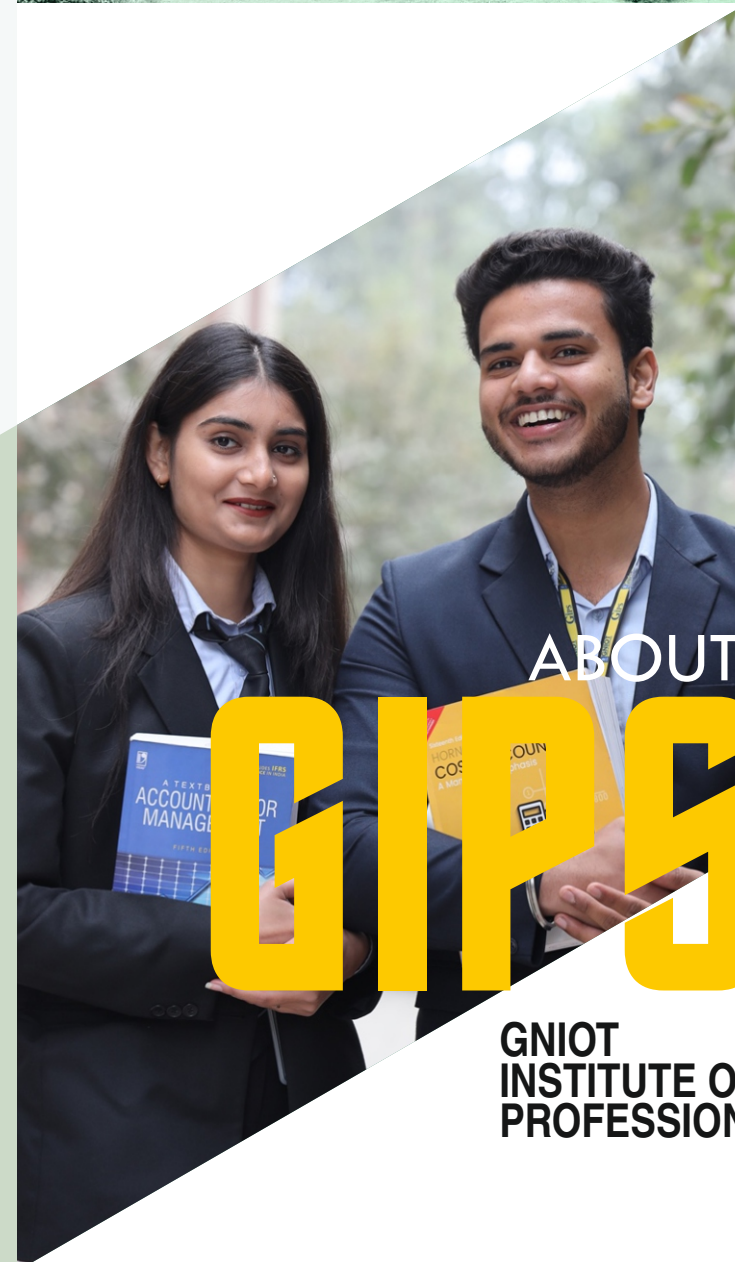

### MISSION

- To provide high-quality education, encourage continuous innovation, and foster employability.
- To infuse the notion of lifelong learning through outcome-based education and innovative thinking.
- To escalate leadership qualities among the students by having an understanding of moralistic values and environmental realities.

### STARTED IN 2001 WITH 2000 STUDENTS, CURRENTLY, GNIOT HAS MORE THAN 6000 STUDENTS.

- 36 corporate training programs, Dual Specialization, Microsoft & Oracle Certification program
- GNIOT offers a program in association with Reliance industries.
- GNIOT offers NCFM certification and Foreign exchange program.
- Digital interactive language lab for perfection in language skills.
- Largest residential campus-more than 700 girls and 1500+ boys currently staying.
- ICICI Bank trains GNIOT students in finance-related subjects.
- Best placement record in the region.
- Only center in Greater Noida for Prometric.
- CSR excellence award and more than 1.25 lakh books in the library.
- Association with IIT-Delhi and IIT-Mumbai for management training sessions.
- 500+ faculty and a 19,000+ strong alumni base.
- Nodal center of IIT-Delhi and IIT-Mumbai.

# ABOUT GNIOT

**THE INSTITUTE HAS BEEN INSTRUMENTAL IN ITS EFFORTS TO IMPART QUALITY EDUCATION WHICH DEMONSTRATES THE ACADEMIC INPUTS, QUALITY OF FACULTY, INSTITUTE INDUSTRY INTERACTION, AND SKILL SET OF ITS STUDENTS.**

- TATA STRIVE GOOGLE Scholarship Programme is introduced at GIPS for BBA, BCA, BSC (CS), and B. COM. Students.
- We offer courses that are certified by MICROSOFT, GOOGLE & IBM.
- GIPS BCA program bagged 1st Rank in the category of Promising College and 11th Rank in Northern India by the GHRDC.
- BBA Programme ranked 1st in the category of Promising College and 14<sup>th</sup> Rank in Northern India by the Global Human Resource Development Centre.
- Compulsory Summer Internship provided by the college.
- GIPS is a proud member of the Institute Innovation Council, an initiative of the Government of India.
- Participating in UNNAT BHARAT ABHIYAN for social cause and nation-building.
- The Institute has a modern state of world-class infrastructure equipped with the latest air-conditioned lecture halls, classrooms well equipped with the latest audio-visual teaching and learning aids, computer labs, and a very rich collection of books, periodicals, journals, and motivational books both fiction and nonfiction based.
- The college has WI-Fi connectivity on campus.
- The college also has separate hostels for boys and girls who commute from far-flung areas of the country to study in the college.
- There are more than 10 student-driven clubs, namely Social Club, HR Club, Finance Club, Marketing Club, Sports Club, etc. Which helps in imparting managerial skills to the budding managers and entrepreneurs of the nation.

# CHAIRMAN MESSAGE

# VICE-CHAIRMAN MESSAGE

**W**e firmly believe that the harmonious development of society can be achieved by the enlightenment of the individual heart, mind, and soul. This has become a prerequisite in today's fast-changing world where material gains have out-placed basic human values. I am of the firm opinion that education as a powerful instrument of socioeconomic change can transform the attitude, thinking, and lifestyle of people. Education enables flexible thinking and better decision-making capabilities in individuals.

We have always dreamt of empowering society with enlightened, skillful, and socially relevant citizens, which can be possible only by educating the masses. As such, we initiated this benign task of reconstructing the social order by providing educational establishments, thus contributing to the development of the nation in our humble way.

GNIOT Group of Institutions, has taken the task of developing human capital in tune with the requirements of industry and society by integrating the basic principles of Right Philosophy, Right Knowledge, and Right Conduct in its policies and programs.

I extend my best wishes to all the aspirants and assure you that under the mentorship of the dedicated faculty of this prestigious organization, they shall be able to take full advantage of the opportunities offered to them.

I wish my students all the best.

**Dr. Rajesh Kumar Gupta**  
Chairman  
GNIOT Group of Institutions

**“We have always dreamt of empowering society with enlightened, skillful, and socially relevant citizens, which can be possible only by educating the masses...”**

**G**NIOT Institute of Professional Studies is beyond providing a sound education, we wish to provide our students with a holistic learning experience for life. We are conscious of the changing needs of society, hence we shall emphasize imparting education and training to our students beyond the prescribed syllabus to make them responsible & disciplined citizens to serve society. Students, you are about to cross a bridge in your life because college education is a turning point, the hard work of today is the triumph of the future. The time and effort you spend today are the deciding factors of your later years.

As an established and highly esteemed institution, we maintain the utmost academic standard, incorporated with the conduct of discipline, thereby achieving a remarkable and excellent percentage of results. We firmly believe that education is the key to a nation's progress with this; we will take it as our bounded duty to provide the best academic training a student can get. The institution endeavors to comfort the students with all the necessary knowledge and skills to become truly successful in their chosen fields. We will support students in achieving those golden ambitions and also ensure that their stay in college is meaningful and fruitful as well.

As the vice chairman of this group, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform those dreams into reality.

We hope earnestly that the aspirants of Business Administration, Computer Application and Commerce, will find here opportunities and after graduation would be leaders in their respective fields.

**Mr. Gaurav Gupta**  
Vice Chairman  
GNIOT Group of Institutions

**“We ensured that the student at GNIOT Institute of Professional studies receive high-quality education and training in a congenial atmosphere...”**

# PRINCIPAL MESSAGE

Institutions play crucial roles in shaping the world's future through education in the form of knowledge creation. Also, it is paramount that we keep our cultural ethos alive while harnessing the power of modern technologies in shaping a constructive future.

I believe that an Institute is the highest temple of learning. Therefore, students and faculty must be provided with an enriching and empowering environment, which dynamically stimulates their inherent potential, leading to engaging them in an outlook beyond the realms known to them, resulting in the creation of a powerful future, where the responsibility of shaping the society is freely and gracefully accepted by them.

We recognize and appreciate the inherent quality of our educational systems and methods in carving a niche for our students, thus creating an impact in providing suitable placement for students in the industry. We at GIPS believe in the saying, "To reap the benefits tomorrow, we need to sow the seeds today" and thus our concerted efforts are to work on transforming the students into professional managers of tomorrow making a change not only in their personality but bringing a change in the society as a whole. We earnestly work to transform the student talent pool from the first day they join the GNIOT Institute of Professional Studies (GIPS). The multi-disciplinary approach of our curriculum focuses on experiential learning, better content delivery, and provisions for sports and extracurricular activities, which are integral components of the learning process.

Therefore, we will endeavor to inculcate the core values amongst our students in service of society. These values should be Contributing to National Development, Quest for Excellence, Promoting the Use of Technology, Promoting Global Competence, Ethics and Character Building. The need to expand higher education with the impact of technology on educational delivery, and the increasing private participation in higher education, have necessitated marked changes in the Indian higher education system.

GIPS wishes all students grand success in their career and prosperity in the future.

*“ Don't settle for average. Bring your best to the moment. Then, whether it fails or succeeds, at least you know you gave all you had... ”*

**Prof. (Dr.) Savita Mohan**  
Principal

## Academic Council Meeting

The GNIOT Institute of Professional Studies conducted its Academic Council Meeting, a pivotal event that sets the course for our institution's future. This assembly brought together a distinguished group of scholars and experts, whose collective wisdom is set to guide us toward a flourishing future. A major milestone of the meeting was the launch of the GNIOT Institute of Professional Studies Bi-Annual Journal - "Gyan Taru." This publication stands as a testimony to our commitment to academic excellence and knowledge dissemination.

The decisions made during this meeting align with our shared vision of creating a vibrant and learned academic environment. By working together, we are on the path to achieving remarkable achievements and nurturing a culture of innovation, excellence, and community engagement.

We look forward to the positive changes these developments will bring and invite our academic community to join us in this exciting journey forward.

## Alumni Meet RETRACE-2K24

GNIOT Institute of Professional Studies gathered once again for the long-awaited Alumni Meet. The festivities commence with heartfelt gratitude from Prof. (Dr.) Savita Mohan (Principal), acknowledges the firm support of our alumni and celebrates the continual evolution of our institution. Dr. Rajesh Gupta, Chairman of GNIOT Group of Institutions, shared his vision for the college's future, igniting a sense of purpose and dedication among the audience. His visionary leadership and strong commitment to excellence served as a source of inspiration for all. We were privileged to welcome Shri Shrichand Sharma, a distinguished Member of the Legislative Council, as our esteemed chief guest. His words resonated deeply, underscoring the transformative power of education, the importance of community, and the potential for impact within our chosen paths. As a token of our gratitude for your ongoing connection to our alma mater, we proudly distribute smartphones to our alumni. The evening unfolded with mesmerizing dance performances and thought-provoking skits presented by our exceptionally talented students. A heartfelt appreciation goes out to the organizing committee, volunteers, and all contributors whose efforts ensured the resounding success of this event. Here's to the enduring bonds of camaraderie, the pursuit of growth, and the lasting friendships forged during our time together. Until we reunite again!

## Greater Noida Institute of Technology (Engineering Institute)

# STUDENTS TESTIMONIALS

**Shivshant Shukla**  
B Com (H) - III year

" My time at GNIOT Institute of Professional Studies has been both enriching and memorable. The guidance I received from the mentors significantly improved my academic and interpersonal abilities. I am grateful to the Training & Placement cell for allowing me to further develop these skills and for providing a platform where I could effectively showcase them."

**Payal**  
BBA -III year

" Describing 3 years of my college in a few lines would be difficult but I would say that GIPS has played a major role in shaping my career and has also helped me become what I am today, for which I will always remain grateful. I would also like to thank the placement cell at GIPS for the efforts they make for the students."

**Astha Srivastava**  
BBA -III year

" Before enrolling in college, our exposure to the corporate world was limited. However, upon joining GIPS, I discovered that the BBA program was both engaging and comprehensive. Its detailed approach sets it apart from other programs, offering a depth of knowledge and practical skills that are essential for real-world industry readiness."

**Avinash**  
B Com (H) -III year

"It was a great experience studying at GIPS, a memory to cherish for a lifetime. My experience at GIPS was full of learning and grooming. It allowed me to meet a different kind of people and learn many things from them. I am thankful to all the faculties, mentors, and the entire BCA department for providing me with quality education. Overall, it was a great experience and a lifetime memory at GIPS. "

**Saral Lohiya**  
B Com (H) - II year

" During my academic tenure, I was consistently inspired by the faculty's commitment, profound knowledge, and readiness to extend their support beyond conventional measures for the betterment of students. The curriculum was meticulously organized, closely aligned with industry demands, and offered numerous opportunities for hands-on learning and individual development. The invaluable guidance and steady support provided by the placement cell were key factors in achieving my successful job placement."

**Anshika Tomar**  
BBA -I year

"I would like to extend my heartfelt thanks to the GNIOT Institute of Professional Studies for laying a solid foundation in my technical education, honing my technical skills, and providing me with an invaluable internship opportunity to apply my knowledge and abilities in a practical setting."

**Shreya Gautam**  
BCA-I year

"Everybody needs support to push himself or herself, my support was the faculty, HODs, and Principal of GIPS. They provided me with the right platform and guided me throughout my journey here. The course curriculum is designed in such a way that it covers all the important aspects of management. "

**Aditya Manhas**  
BBA- I year

GIPS facilitates on-campus recruitment and job fairs, offering students valuable employment opportunities. The institution organizes numerous sessions designed to prepare us for interviews, guiding effective interview techniques. Additionally, orientation programs are conducted to acquaint students with prospective recruiting companies. These initiatives also focus on enhancing students' communication skills, enabling them to interact confidently with potential employers, and include training in crafting impactful resumes."

## LIBRARY

THE INSTITUTE LIBRARY BOASTS AN IMPRESSIVE COLLECTION, WITH A TOTAL OF **11,560 VOLUMES** AND **1,073 TITLES**. AMONG THESE ARE **6 INTERNATIONAL** AND NATIONAL JOURNALS, ALONG WITH **11 POPULAR MAGAZINES** AND **5 NEWSPAPERS**. OUR COLLECTION INCLUDES WORKS BY BOTH INDIAN AND FOREIGN WRITERS, AND WE OFFER ACCESS TO E-BOOKS AND CD DATABASES. ADDITIONALLY, OUR LIBRARY IS FULLY AUTOMATED FOR ENHANCED EFFICIENCY AND CONVENIENCE.

### PHYSICS LAB

The Physics lab serves as a crucial space for students of **B.Sc. (Computer Science)** to apply theoretical knowledge gained in lectures to practical experiments. Through hands-on activities and demonstrations, students explore fundamental principles of Physics, such as mechanics, electricity, magnetism, optics, and thermodynamics. This experiential learning environment allows students to develop critical thinking skills, enhance problem-solving abilities, and deepen their understanding of physical phenomena. Additionally, the lab fosters curiosity and creativity, encouraging students to ask questions, make observations, and draw conclusions, thereby enriching their overall learning experience in Physics.

# LABORATORIES

### ELECTRONICS LAB

In the electronics lab, students of B.Sc. (Computer Science) engage in the practical application of electronics theory, focusing on the design, construction, and testing of electronic circuits and devices. By working with components such as resistors, capacitors, transistors, and integrated circuits, students gain hands-on experience in circuit analysis, troubleshooting, and soldering techniques. The lab provides a platform for students to explore various electronic systems, including digital and analog circuits, transistors, and other networks. Through experimentation, students develop essential skills for careers in engineering, technology, and research, preparing them to tackle real-world challenges in the field of electronics.

### COMPUTER LAB

The computer lab serves as a vital resource for students of B.Sc. (Computer Science) to develop proficiency in computer science, programming, and information technology. Equipped with computers, software tools, and networking infrastructure, the lab offers a collaborative environment for students to learn programming languages, algorithms, data structures, and software development methodologies. Students engage in coding exercises, simulations, and projects that reinforce theoretical concepts and enhance problem-solving abilities. Additionally, the lab facilitates exploration of emerging technologies such as artificial intelligence, machine learning, cybersecurity, and cloud computing. By gaining practical experience in the computer lab, students acquire essential skills for careers in software engineering, data analysis, cybersecurity, and other technology-related fields.
